

First term

Name of Course	Lesson Code	Number Of Units
Medical information systems	4101101	1
Principles of epidemiology	4101202	2
Biostatistics methods 1	4101204	2
Research Methods	4101210	2
Medical Demography	4101315	2
number of units		9

Second semester

Name of Course	Lesson Code	Number Of Units
Epidemiological methods	4101203	2
Biostatistics methods 2	4101205	2
Epidemiology of infectious diseases	4101206	2
Environmental epidemiology	4101319	2
Health internship	4101524	2
number of units		10

Third semester

Name of Course	Lesson Code	Number Of Units
Epidemiology of non-communicable diseases	4101207	2
Health data analysis with computer	4101208	2
Statistical methods in epidemiology	4101209	2
Seminar	4101427	2
number of units		8

Fourth semester

Name of Course	Lesson Code	Number Of Units
Thesis	4101428	6
number of units		6
