

**Name Last name**

Hojjat Sayyadi

**Contact Information**

Sayyadi-h@medilam.ac.ir

Tel: 00988432237399

Fax: 00988432227103

Address: Ilam University of Medical Sciences,  
School of Public Health

**Academic Rank**

Assistant Professor

**School**

Public Health

**Education****1. B.Sc**

Statistics, Shahid Beheshti University, Tehran, Iran, 2003

**2. MSc**

Biostatistics, Hamedan University of Medical Science, Hamedan, Iran, 2010

**3. Ph.D**

Biostatistics, Shahid Beheshti University of Medical Science , Tehran, Iran, 2016

**Experiences****1. Assistant Professor**

Department of Biostatistics, School of public health, Ilam University of Medical Sciences, 2019

**2. Statistical & Research Counselor**

Faculty of Medicine, Urmia University of Medical Sciences, 2016-2019

**Course Teaching****1. B.Sc**

Biostatistics- Research methods

2. MSc

Advance Biostatistics and statistical software

3. Dentistry

Biostatistics- Calculus

## Papers

### 1. English

Azizi, N., et al. **Sayyadi, H.** (2019). "Parental pre-conception stress status and risk for anxiety in rat offspring: specific and sex-dependent maternal and paternal effects." *Stress*: 1-13.

Rabiepoor, S., et al. **Sayyadi, H.** (2019). "Spiritual Health and Physical Activity Among Iranian Pregnant Women." *Journal of religion and health* **58**(2): 506-515.

Taghizadeh Afshari, A., et al. **Sayyadi, H.** (2018). "Serum cystatin C versus creatinine in the assessment of allograft function in early periods of kidney transplantation." *Journal of Renal Injury Prevention* **7**(1): 11-15.

Amini, P., et al. **Sayyadi, H.** (2018). "Determining the Risk Factors for Acute Rejection and Glomerular Filtration Rate after Kidney Transplantation." *Editorial Board*: 96.

Daie, S., et al. **Sayyadi, H.** (2018). "The effect of iodine supplementation on thyroid volume and thyroid stimulating hormone level in women of childbearing age residing in West Azarbaijan province, Iran." *URMIA MEDICAL JOURNAL* **29**(9): 660-668.

Mahmoodkhani, M., et al. **Sayyadi, H.** (2018). "Pre-pregnancy stress suppressed the reproductive systems in parents and changed sex ratio in offspring." *Journal of Applied Biomedicine* **16**(4): 370-377.

**Sayyadi, H.**, et al. (2017). "Assessing risk indicators of allograft survival of renal transplant: An application of joint modeling of longitudinal and time-to-event analysis." *Iranian Red Crescent Medical Journal* **19**(3).

Nakhjiri, E., et al. **Sayyadi, H.** (2016). "Prenatal Stress+ Morphine and Postnatal Re-exposure to Stress Alter Pentylentetrazol-Induced Epileptic Manifestations in Rats." *Neurophysiology* **48**(5): 360-366.

Soltanian, A.-R., et al. **Sayyadi, H.** (2015). "Identify survival predictors of the first kidney transplantation: a retrospective cohort study." *Iranian journal of public health* **44**(5): 683.

Nakhjiri, E., et al. **Sayyadi, H.** (2015). "The effect of co-administration of restraint stress and morphine in prenatal period and re-exposure to stress at the end of infancy on corticosterone blood levels and pentylentetrazol-induced epileptic behaviors in rat." *International Journal of Research in Applied and Basic Medical Sciences* **1**(1): 41-50.

Nakhjiri, E., et al. **Sayyadi, H.** (2015). "The effect of co-administration of restraint stress and morphine in prenatal period and re-exposure to stress at the end of infancy on corticosterone blood levels and pentylentetrazol-induced epileptic behaviors in rat." *International Journal of Research in Applied and Basic Medical Sciences* **1**(1): 41-50.

Rasmi, Y., et al. **Sayyadi, H.** (2015). "IgE levels are increased in patients with Helicobacter pylori infection." *International Journal of Research in Applied and Basic Medical Sciences* **1**(1): 51-55.

Heris, S. O., et al. **Sayyadi, H.** (2014). "QT dispersion after thrombolytic therapy." *International cardiovascular research journal* **8**(4): 161.

Jafari, M., et al. **Sayyadi, H.** (2013). "EVALUATION OF THE KNOWLEDGE AND PREPAREDNESS OF GENERAL DENTISTS ABOUT MEDICAL EMERGENCIES IN URMIA IN 2012." The Journal of Urmia University of Medical Sciences **24**(8): 639-646.

Khadem Vatani, K., et al. **Sayyadi, H.** (2013). "SURVEYING THE ATTRIBUTES OF METABOLIC SYNDROME AMONG THE PATIENTS OF ACUTE MYOCARDIAL INFURCTION." The Journal of Urmia University of Medical Sciences **24**(8): 577-583.

Koochemeshki, V., et al. **Sayyadi, H.** (2013). "The effect of diabetes mellitus on short term mortality and morbidity after isolated coronary artery bypass grafting surgery." International cardiovascular research journal **7**(2): 41.

## 2. Farsi

Khadem Vatani, K., et al. **Sayyadi, H.** (2013). "SURVEYING THE ATTRIBUTES OF METABOLIC SYNDROME AMONG THE PATIENTS OF ACUTE MYOCARDIAL INFURCTION." The Journal of Urmia University of Medical Sciences **24**(8): 577-583.

## Skills

**Languages:** English, Azeri, Turkish

**Software:** R, SPSS, STATA, Minitab, SAS and Excel

## Inventions

## Honors

## Memberships

- ✓ Member of Iranian Association for Statistics
- ✓ Member of research committee in school of public health
- ✓ Member of Journal of Basic Research in Medical Sciences
- ✓ Member of Journal of Ilam University of Medical Sciences

## Research Interests:

Longitudinal data analysis, Life-time data analysis, Joint modeling, Randomized clinical trials
